

Parish Mission Retreats

JGS is excited to announce that we will be hosting two Parish Missions during Lent. These Missions are designed to help enrich your spiritual journey and deepen your relationship with God.

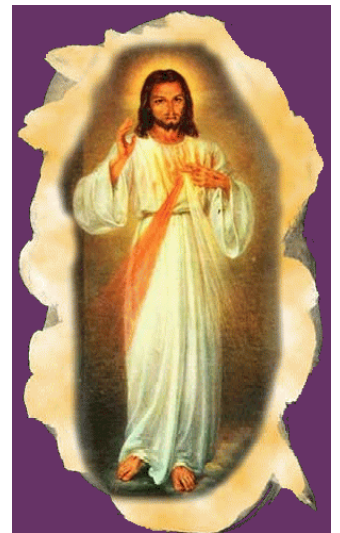

Father Antoninus Wall, a Dominican priest, from California will be hosting a Mission, “Finding God’s Love in Our Human Suffering” on March 7th-March 11th. The focus of the mission will be to identify God’s Divine Love in all forms of human suffering. One of the greatest challenges of our Catholic Faith is the reconciliation of human suffering with a God of infinite love and unlimited power.

Father Mark Baron, a Marian priest from Washington, D.C. will be hosting a Mission, “Experiencing Divine Mercy” on March 14th-March 17th.

Father Mark will preach on the amazing power of the Divine Mercy. This will be a multi-media presentation designed to deepen your contact with the true and living God. The

mission promises to transform the way you understand God. You don’t want to miss it!

Both missions will be offered in conjunction with daily morning Mass and an evening session will be offered starting at 7 PM in the Church. The Sacrament of Reconciliation will be offered daily after both Missions.
