The Covenant Community of Jesus the Good Shepherd

“Covenant” is a word from the bible. It means the “special friendship” between God and us. Jesus made this friendship possible by dying on the cross to take our sins away.

FRIENDSHIP WITH GOD

We care about others when we share the good things we have, tell the truth, and help our parents. Jesus gave us our parents, our teachers and the Church to guide us.
We should do as they ask.

OUR CHURCH ALSO ASKS US TO WELCOME, PRAY AND HELP

Hospitality

A spirit of welcome, or “hospitality”, means that we should be friendly to people. It is especially important to be friendly to new people. In what way would you be friendly?

Spirituality

Jesus wants us to pray everyday. He also asks us to receive Holy Communion on Sunday. Those in 5th grade and up are invited to serve on the altar. Who will you pray for? _____

Will you promise to attend Mass every week unless you are sick? _____

Will you promise to attend all of your Youth Covenant Sessions unless you are sick? _____

Stewardship

There are many ways we can be helpful. Think of ways you could be helpful in your home, school and community.

Another way to be helpful is to share some of the money you earn to help God's people. One way is to contribute some of your money to the Church basket on Sunday. Will you do this?

A PRAYER

Lord Jesus, help me to resist the temptations that face me. I pray that you will guide me in keeping the promises I have made in this covenant. Help me to live my life for you so that our bond may be complete.

Your friend,
